PARTICIPANT INFORMATION

OVERVIEW

REGISTRATION

Online registrations for the 2022 AusCycling MTB National Championships close on Feb 9th 11:59pm.

AGE CLASSIFICATION

Riders are classified by the age they will be at the 31st December 2022 (Minimum age 11).

UPLIFT PASSES

If you are riding the week leading up to the event, the best bang for buck pass option is the multi-day passes for the uplift service. All event entries will include a mountain pass that allows riders access to the climbing trail network for the duration of the event.

MEDICAL SERVICES

Medical Services will be provided throughout the event by Maydena. Medical will be located within the MBP Base Building.

TIMING

Results can be found at:

<https://www.maydenabikepark.com/auscycling-national-championships/>

RACE PLATES

Allocation of race plates is undertaken upon the close of online registrations. Riders who register after the close of online registrations will be allocated the next available plate.

HELMET REQUIREMENTS

All riders are expected to wear a compliant helmet at all times whilst on their bike.

This applies during competition, practice and when commuting to and from their events.

Downhill riders must wear a full-faced helmet meeting AS2063 or equivalent standard.

Bicycle helmets that satisfy current Australian or equivalent international standards are compulsory in all AUSCYCLING sanctioned events. Helmets must be fastened at all times whilst on a bicycle. Helmets must be in good condition and fit for purpose. All helmets must be compliant as determined by the presence of an appropriate compliance sticker.

To ensure all riders comply with the regulations, and their helmet meets current safety standards, helmets may be inspected by a Commissaire at any time throughout the duration of the event.

SAFETY EQUIPMENT

Per AUSCYCLING Technical Regulations the following safety equipment is required for Downhill :

- Full-face helmet with a fixed non-detachable mouth piece,
- A jersey or shirt covering the elbows must be worn as a minimum. 3/4 length jerseys are acceptable,

- Knees must be covered by full-length trousers and/or self-fastening knee or knee/shin guards expressly designed for off-road cycling.

For Under 13/15/17 categories, the following equipment is mandatory at all times whilst on track:

- Full-finger gloves must be worn,
- Full-length jersey - jersey must cover elbows at all times,
- Knee pads and elbow pads must be worn.

AUSCYCLING strongly recommends the use of the following:

- Neck brace expressly designed for off-road cycling,
- Back and shoulder protection expressly designed for the purpose,
- Full finger gloves,
- Elbow protectors and/or long sleeve jersey to the wrist,
- Goggles expressly designed for the purpose.

DOWNHILL

RACING DOWN THE PURPOSE-BUILT NATIONAL CHAMPIONSHIPS DOWNHILL COURSE.

The course combines fast, open speedway sections with wide, off-camber tech. Riders descend 400m in elevation, over a 3–4-minute race run. With the course combining fast, open speedway sections and wide, off-camber technical sections, riders will need to stay sharp to take the win. Test yourself against Australia’s best downhill riders on our world-class downhill course!

// INCLUDED WITH ENTRY

- Race Entry
- Event entry includes shuttles for **seeding run only on the Saturday February 19th and all day Sunday February 20th**, all other shuttles must be booked prior to arrival at the venue. This allows riders the best value for money and the ability to customise their practice uplift schedule.

// RACER INFORMATION

- When booking practice uplifts use the code **"DHNATS22"** to receive a discount on any multi-day or single day uplift pass (This is to account for seeding runs on Saturday February 19th which are included with entry). If you wish to ride the track every day it is open simply book a 4-day uplift starting Wednesday with the discount code "DHNATS22".
- The racecourse will be open for practice from Wednesday February 16th - Sunday February 20th.
- Age categories are determined by the age of the entrant on the 31st of December 2022 (Minimum age 11)
- If you are riding the week leading up to the event, the best bang for buck pass option is the multi-day passes. Multi-day Uplift passes can be booked [here](#)
- ENTRIES CLOSE Feb 9th 11:59pm

DH TRAIL MAP

RACING DOWN THE PURPOSE-BUILT NATIONAL CHAMPIONSHIPS DOWNHILL COURSE.

The Maydena downhill course is designed and constructed by Dirt Art specifically for the 2021 AusCycling Downhill National Championships.

The purpose-built course is a culmination of what Maydena has become renowned for in terms of challenging riders with its highly variable terrain.

Starting from the midline, the course begins with a fast flow section, which quickly transitions into a series of steep and technical sections with multiple line choices for racers. The lower half of the track switches gears with faster sections interlinked with a series of larger bike park style features.

The downhill track can be accessed via the two uplift options described below.

// UPLIFT OPTIONS

OPTION 1: MIDLINE DROP-OFF

The midline shuttle drop-off option is the quickest and easiest way to get to the start of the downhill course.

- The duration of the shuttle is approx. half the time of option 2.
- Riders will pedal across the midline trail, which is predominately flat but has some short climbs that are easily negotiated - even on a downhill bike.
- Option 1 represents the best option for riders wanting to fit in as many practice laps as possible

OPTION 2: SUMMIT DROP-OFF

The summit drop-off option is the alternate way to get to the start of the downhill course.

- The duration of the shuttle is significantly longer than option 1 - approx. double the time.
- We recommend riders utilise the Skyline and Pandani trails as the most direct and easiest way to get to the start of the downhill course.
- Option 2 is best suited to riders that want a warm up on descending trails as opposed to pedalling across from midline.

XCO

Competing on a refreshed version of last years National Championships course, the track will combine steep and technical climbs with challenging descents designed to be demanding, and test Australia's best XC riders.

// INCLUDED WITH ENTRY

IMPORTANT INFORMATION BEFORE COMPLETING AN ONLINE REGISTRATION FOR CROSS-COUNTRY TEAM RELAY NATIONAL CHAMPIONSHIP

NATIONAL CHAMPIONSHIPS – CROSS COUNTRY TEAM RELAY

- 1) At the 2022 AusCycling National Championships, a Team Relay will be run. Teams will consist of four riders of the following make-up:
 - a. One rider aged under 19 at the eligibility date;
 - b. One rider eligible to compete in a Masters 3 or higher category at the 2022 Aus Cycling Cross-Country National Championships – that is, aged 40 or over at the eligibility date;
 - c. One rider eligible to compete in a women's category at the 2022 Aus Cycling Cross-Country National Championships;
 - d. One rider on which there are no restrictions ('Open').
- 2) A rider filling the criteria of points 1 (a) or 1 (b) may not be entered in an Elite XCO category.
- 3) Where an individual meets more than one of the above criteria, they may only consider one criterion as being satisfied. A distinct different individual must fill the role of each criterion.
- 4) The team relay will have each rider complete a single lap, for a total race distance of four laps per team.
- 5) When riders transition, they must make physical contact to 'tag' the next rider to begin a lap. If this is not possible, or might cause a potential accident from needing to cut across to the other side of the track, the next rider out may be considered 'tagged' if the transitioning riders are both stationary and level such that no advantage is deemed to be received.
- 6) AusCycling will facilitate the formation of teams at the event for riders who wish to ride, but have been unable to find a complete team.

PUMPTRACK

Taking place on the Friday evening this event is not just one for the racers, featuring music and beer garden which will be a great opportunity to mingle with the race crowd and enjoy some action packed racing on our asphalt pump track located in the Rockshox Beer Garden.

XCO TRAIL MAP

RACING AROUND THE PURPOSE-BUILT NATIONAL CHAMPIONSHIPS COURSE.

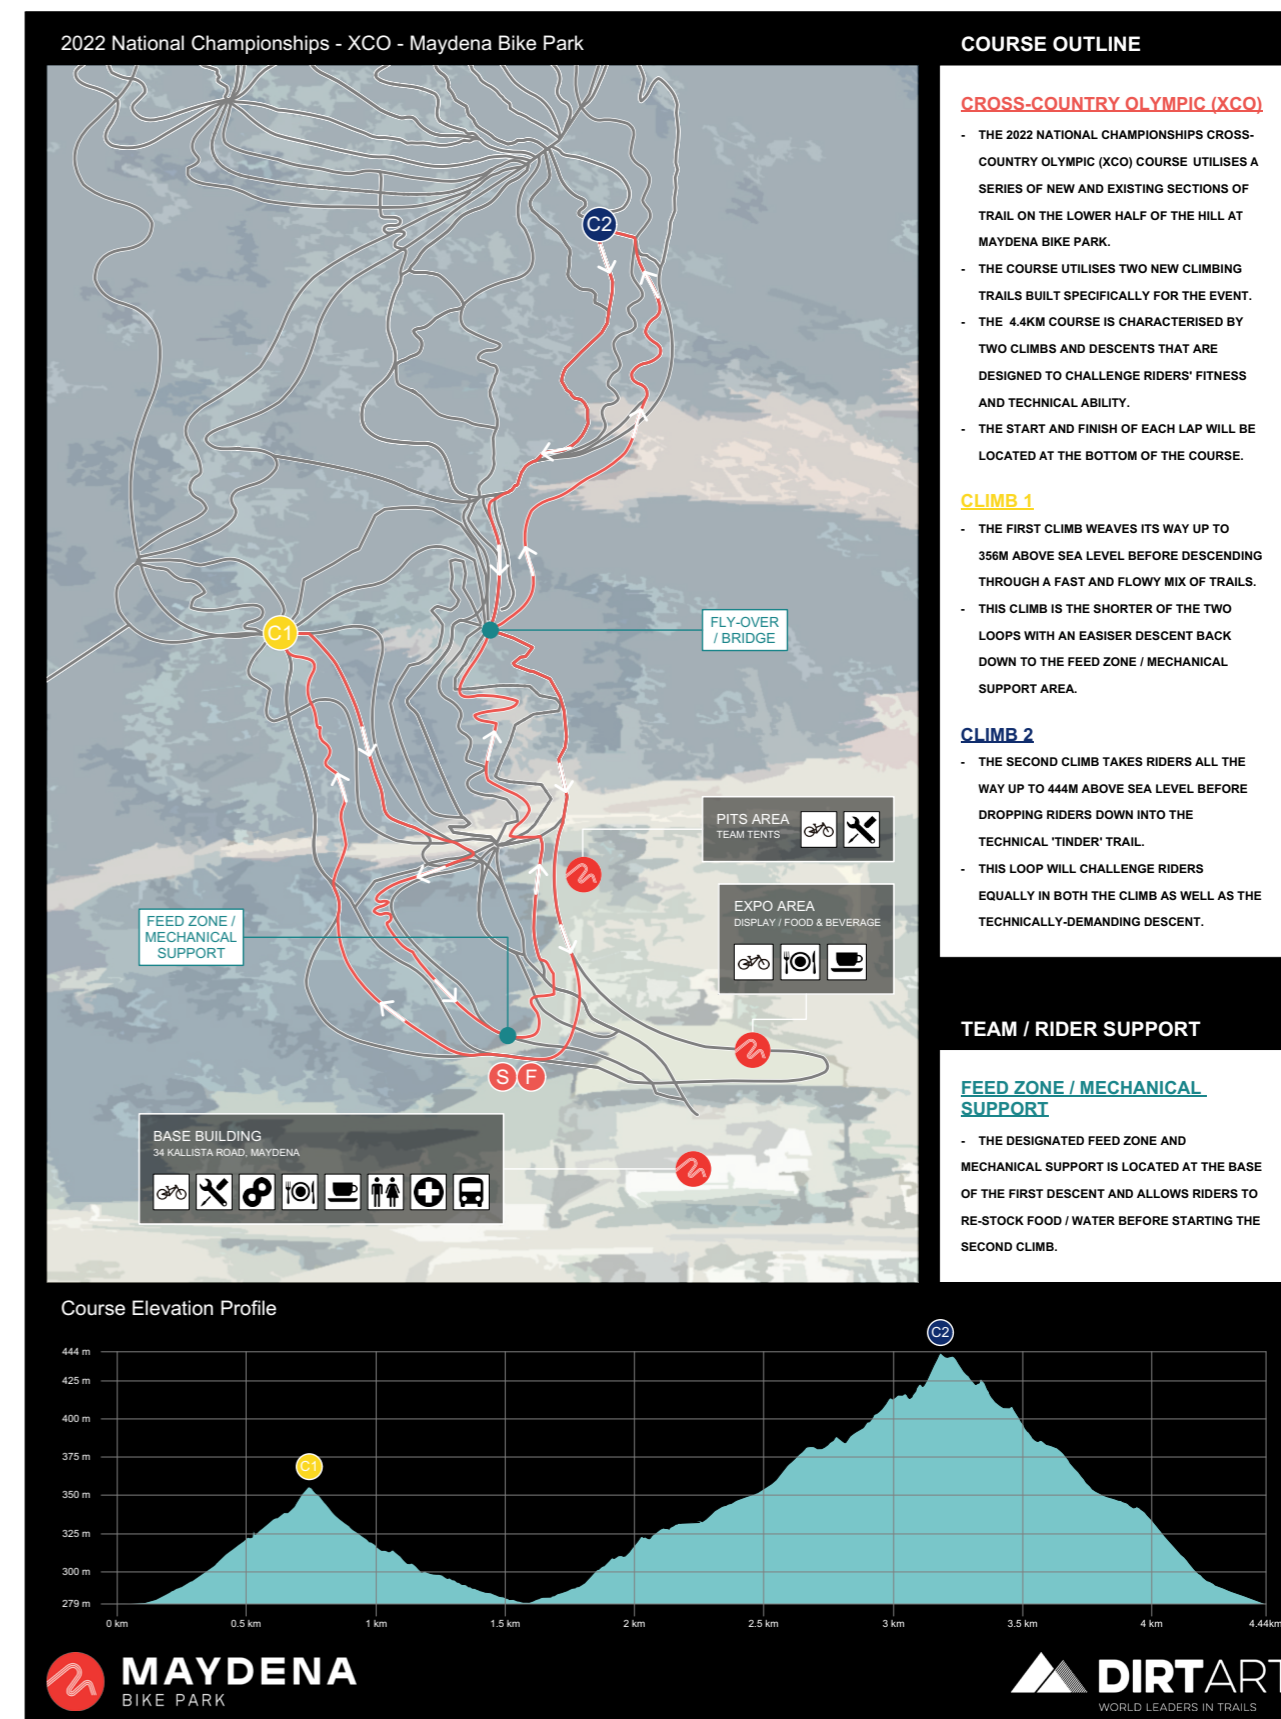

- The 2022 national championships cross-country olympic (XCO) course utilises a series of new and existing sections of trail on the lower half of the hill at maydena bike park.
- The course utilises two new climbing trails built specifically for the event.
- The 4.4km course is characterised by two climbs and descents that are designed to challenge riders' fitness and technical ability.
- The start and finish of each lap will be located at the bottom of the course.

CLIMB 1

- The first climb weaves its way up to feed zone 356m above sea level before descending through a fast and flowy mix of trails.
- This climb is the shorter of the two loops with an easiser descent back down to the feed zone / mechanical support area.

CLIMB 2

- The second climb takes riders all the way up to 444m above sea level before dropping riders down into the technical 'tinder' trail.
- This loop will challenge riders equally in both the climb as well as the technically-demanding descent.
